What do our students say?

最初は、2ヶ月間の予定だったのが、延長して5ヶ月間を通ったのは、F.I.S.がここをサポートして、学校内は皆仲良く授業中もいろいろ笑いのたえない学校だったからだと思います。授業もクラスメイト全員が理解するまで親切に分かりやすく教えてくれました。先生、カウンセラーの方には授業だけでなく色々アドバイスもして頂きました。F.I.S.で出会った方には本当に感謝しています。帰国後もこの学校で学んだ事を忘れずに勉強していきたいと思っています。

① I've lived in U.S. to study English for almost 5 months at first. When I selected a language school, it was most important for me to find a school which was like a family. At that time, my agency introduced Federal schools to me. Actually I'm satisfied with this school and I like the teachers and all the staff in the school. I think it's not important that a language school is bigger and more expensive, personally. I believe "How much you achieve = your English" depends on "How hard you try to study". Good luck!

② โอ้โฮ... นี่คุณสบายใจไหมกับที่นี่... นี่มันเหมือนบ้านจริงๆ... Yeah... รู้สึกดี... นี่มันเหมือนบ้านจริงๆ... Yeah... รู้สึกดี... นี่มันเหมือนบ้านจริงๆ... Yeah... รู้สึกดี...
