UNIVERSITY RANKINGS

WELCOME

Massey has a long, proud tradition of teaching and research excellence. Its heritage, geographic spread over three major cities, range of programmes and the flexibility of its distance teaching all mean it offers students from around the world the ability to tailor their study to meet their needs and at the same time connect closely with industry, professional organisations and local communities.

Massey has more than 5000 international students each year from 100 countries. It delivers teaching programmes in seven other countries through Massey University Worldwide, and has international teaching partnerships with tertiary institutions in 15 nations.

We recognise that choosing to leave your own country in order to achieve academic qualifications is a life-changing decision. I warmly invite you to be part of our diverse and stimulating student community.

Professor Jan Thomas
Vice-Chancellor, Massey University

COMMERCIAL LEADERSHIP

MASSEY BUSINESS SCHOOL

At Massey Business School, rather than just study business we believe our students should practice business. That is why we partner closely with many of New Zealand's leading companies. A range of internships and opportunities to interact with actual businesses are built into our programmes.

Today's students need skills that can take them to the top of the business world anywhere, so we focus on relevant and future-focused learning that is global in its application.

Massey Business School will get your career started from a strong foundation and ensure you have the skills to succeed, no matter where your future takes you.

RESEARCH EXCELLENCE

Massey University's world-class, multidisciplinary research creates innovative responses to the challenges faced in today's business environment. Examples include:

- > The **Fin-Ed Centre** works to help New Zealanders become more financially savvy by improving their knowledge, attitudes and behaviour towards money.
- > The **Centre for Advanced Retail Studies** is the only research centre in New Zealand focused on this exciting, diverse, dynamic and growing industry. We are defining retail research and business engagement in New Zealand.
- > The **Healthy Work Group** have developed a strong research platform for theoretical studies and applied projects in the general area of workplace health, safety and wellbeing, including factors related to the organisational and psychosocial work environment, and the design of healthy work.

ACADEMIC EXCELLENCE

Mohan Dutta, Professor

Professor Mohan Dutta holds the Dean's Chair in Communication at the Massey Business School. He is also the director of CARE, a research hub that uses a culture-centered approach to help marginalised communities find a voice.

Professor Dutta challenges the idea that academic research should divorce itself from advocacy. He believes CARE offers a framework for "action research" that helps communities to achieve social justice and better health and wellbeing.

The centre's current projects include finding grassroots solutions to indigenous health issues and responding to food insecurity in India; supporting low-wage migrant workers in Singapore to speak out about their living and working conditions; and developing community-based interventions for HIV prevention.

SUCCESSFUL GRADUATES

Andrea Liu, Master of Professional Accountancy and Finance (MPAF)

"As a first year student at Massey University, I was deeply impressed with its cultural atmosphere and historical significance.

"I was delighted that I got the chance to complete Massey's MPAF programme with its first class technology and very experienced professors. During my two-year degree, I had opportunities to discuss academic questions with fellow students from different nationalities, to get answers from experienced professors, spend time on research reports that were realistic, and experience exam questions where I could apply academic knowledge as well as real world experience.

"The MPAF at Massey is a very popular degree in New Zealand and it attracts international students from all over the world. I got a job offer only two months after I completed my MPAF degree. Now, I am working at a NASDAQ listed company in a group accountant role. I believe any student who chooses the MPAF programme will greatly enjoy studying at Massey University."

WORLD RANKING HIGHLIGHTS

Massey Business School is ranked in the top two per cent of business schools globally and holds the prestigious AACSB accreditation.

CREATIVITY IN DESIGN, FINE ARTS, MUSIC AND CREATIVE MEDIA PRODUCTION

COLLEGE OF CREATIVE ARTS

Toi Rauwharangi is New Zealand's premier provider of creative arts education, with comprehensive internationally benchmarked, future-focused programmes, innovative studio-based learning, high levels of undergraduate and postgraduate student achievement and a distinctive contribution to Māori and Pasifika creative arts practice.

Our comprehensive programmes are actively engaged across a broad range of creative industries, agencies and start-ups.

- > Commercial Music
- > Creative Media Production
- > Design
- > Fine Arts
- > Māori Visual Arts

creative.massey.ac.nz

RESEARCH EXCELLENCE

Massey University's College of Creative Arts is New Zealand's premiere research-led creative arts college. The College's world-class standing has grown through the quality and reputation of its faculty and the achievements of its students. It is proud to include a design school that is ranked No.1 in the Asia-Pacific region by Red Dot International, and to have been awarded Substantial Equivalency by NASAD (the US National Association of Art and Design).

Creative arts researchers excel across an extensive range of disciplines and areas of creative endeavour. College faculty are world-class, and include globally connected researchers and creative arts practitioners who along with industry standard facilities, offer a stimulating and highly innovative learning environment.

The College is a national leader in connecting the benefits of creative endeavour to New Zealand's economic growth. Our programmes are comprehensive and industry-connected; through its many networks the college is able to offer cross-disciplinary learning on real world briefs, to ensure that creative arts students are equipped with critical thinking, entrepreneurial attitudes and innovative problem solving skills that prepare them for a variety of career pathways in a rapidly changing global economy. This vibrant and nurturing environment supports researchers at all stages of their career and offers a rich context and transformative experience for a growing number of postgraduate and international students.

ACADEMIC EXCELLENCE

Associate Professor Andre Ktori, Head of School, Te Rewa O Puanga - the School of Music and Creative Media Production

Working in music, media and design for over 30 years, Associate Professor Ktori is best known for his work in interactive music. He founded the London based interactive music collective AudioRom, creating enhanced interactive music CDs such as ShiftControl.

Ktori is a BAFTA, Milia d'Or and Millennium Product award winner and has exhibited internationally at The Tate Britain, Museu d'Art Contemporani de Barcelona, Musée du Louvre, ISEA and Fuse.

SUCCESSFUL GRADUATES

Megha Sharma, India, Master of Design

Megha was born in India, and studied fashion design at the Pearl Academy (Delhi), one of India's most prestigious design colleges. In 2016 she took part in Runway to New Zealand, a joint project with New Zealand fashion design tertiary providers, Pearl Academy, the National Institute of Fashion Technology (Delhi) and Education New Zealand. As a result she won an internship with the College of Creative Arts in Wellington, and was so inspired she applied to study her Masters here. Receiving a New Zealand Excellence Award made this a reality, and in 2017 she returned to pursue a Masters in Design at Massey University. She continues to be passionate about sustainable design thinking and human centred design solutions, and has been acknowledged for her sustainable projects in fashion industry at the International Student Based Conference, Malaysia (ISBC) and Runway To New Zealand.

TOP 100 WORLD RANKING

Massey is ranked in the top 100 in the world for Art and Design according to the QS (Quacquarelli Symonds) rankings.

GLOBAL HEALTH AND WELLBEING

COLLEGE OF HEALTH

The 21st century brings new challenges and demands both new solutions and new health professionals. A leader within New Zealand, Massey's College of Health takes a fresh approach to optimal health and wellbeing, and promotes equity and social justice. It embodies the outcome of multiple factors encompassing individual differences, diversity, social determinants and environmental interactions. We make a difference in a wide range of health-related areas like applied social research, health system strengthening, workforce development, environmental health, public health policy, sleep, sport and

exercise, and nutrition. Our specialists focus on preventing illness and injury, understanding the mechanisms of health and well-being, promoting healthy lives, advising on policy that supports these activities, and finding ways to keep people and communities well.

- > Health science
- > Human nutrition and dietetics
- > Nursing
- > Physiology
- > Social work
- > Sport development
- > Sport and exercise

massey.ac.nz/health

RESEARCH EXCELLENCE

Massey University College of Health is a dynamic hub of leading academics and researchers working together to solve the global health challenges of the 21st century.

Benefit from the expertise of our world-leading health researchers. Whether you're a student or research collaborator, you will work alongside the most innovative thinkers and experts in New Zealand.

The College of Health hosts several research centres, all focused on improving the health of individuals and communities. Examples include:

- > The [Sleep/Wake Research Centre](#) is a world-class research facility dedicated to unravelling the mysteries of sleep affecting every aspect of our health and wellbeing, an activity to which we devote roughly a third of our lives. The centre's internationally compliant Time Isolation Unit allows the centre to collaborate in multicentre studies.
- > Our [Centre for Public Health Research](#) works to improve health outcomes for New Zealanders by addressing some of the most serious non-communicable diseases in New Zealand and internationally.
- > Our [Centre for Metabolic Health Research](#) is discovering new ways to improve the quality of life of those affected by metabolic health disorders. Our cross-disciplinary staff and modern facilities allow us to unravel the complex nature of these disorders and apply the results to patient care.

ACADEMIC EXCELLENCE

Dr Andy Towers, Associate Dean Learning and Teaching of the College of Health

Andy is a Senior Lecturer in the School of Health Sciences at Massey University. He teaches approaches to drug use and rehabilitation at undergraduate and postgraduate levels and his primary research interest is alcohol consumption across the lifespan. With funding from the Health Promotion Agency Andy currently leads an international collaboration of experts from the US, Europe, New Zealand and the World Health Organisation in exploring global differences in the patterns, predictors and outcomes of older adults' alcohol use in High and Low-to-Middle Incomes countries.

As an Associate Dean Learning and Teaching, Andy is leading approaches to teaching excellence across all Schools in the College of Health. His focus is on providing positive and engaging 21st century learning environments through the enhancement of digital teaching practices, the identification of teaching needs, and coordination of learning support for staff and students.

CURRENT STUDENTS

Janice Lim, PhD candidate, School of Health Sciences

"I am originally from Singapore and I chose Massey because the lecturers here are top-notch and very knowledgeable, and the facilities are excellent and conducive for learning. I totally enjoy my PhD study as it is something very relevant to human health, and Massey has been at the leading edge of scientific research in human nutrition, and I am truly grateful to be a part of it."

WORLD RANKING HIGHLIGHTS

The School of Sport, Exercise and Nutrition is ranked in the top 150 Sport Science Schools and Departments worldwide according to the 2018 Shanghai World Ranking.

CRITICAL THINKING IN OUR GLOBAL COMMUNITY

COLLEGE OF HUMANITIES AND SOCIAL SCIENCES

Studying the arts will help inspire your intellectual passion. Our range of qualifications offers a wide range of subjects that will ignite your imagination, enable you to think critically and help you to apply what you learn in the real world. We will challenge your thinking and enable you to be more creative, more innovative and more adaptable. We will teach you valuable skills that allow you to connect with your work, your community and your world.

massey.ac.nz/cohss

RESEARCH EXCELLENCE

Just as digital technology connects the planet, population pressures and climate change increasingly threaten its future. In this context, it can be argued that the approaches we must adopt to living in this century challenge us to be adaptive, responsive and engaged citizens. Massey researchers are seeking to resolve the impact of this emergent new model in the social dynamic and provide meaningful contributions to inform the debate and offer people-focused research to support developments that will enrich our future lives.

Examples of our wide-ranging research projects include:

- > The pedagogy and strategies teachers use to manage and teach languages in multi-level classes.
- > Mental illness, including depression, is part of the wave of chronic illnesses affecting today's population. Massey researchers successfully adapted a cognitive behavioural therapy programme for adult Maori suffering from depression.
- > An award-winning Massey study has explored immigrant economic success and work experience while also reviewing the contributions made to community, culture and social development.

ACADEMIC EXCELLENCE

Professor Glenda Anthony, Co-director of the Centre of Excellence for Research in Mathematics Education (CERME)

Professor Anthony uses her portfolio of research to support teachers to learn the work of ambitious mathematics teaching. A Fulbright-Harkness Fellowship enabled her to collaborate with researchers in the United States. Her research programme works towards an agenda of improvement for maths learners - through recruiting and preparing quality teachers, understanding quality teaching, and understanding mathematics learning and learners.

She frequently works with teachers, and regards the task of taking research ideas and making them more accessible to the audiences who might use them as a key responsibility.

SUCCESSFUL GRADUATES

Haolun Xu, China, Bachelor of Arts (Politics), Auckland campus, Postgraduate Diploma of Arts (Politics), Palmerston North campus. Global Communication Officer, Peking University, China

"Coming to study at Massey University is my fate and one of the best decisions I have ever made. With a strong desire to play my role in shaping a better world I decided to pursue a Bachelor of Arts (Politics) at Massey University.

"Studying politics in New Zealand is particularly great. Being a small country means that it is a lot easier to get in touch with government and councils to gain information, develop connections and participate at a local level.

"The lecturers at Massey are incredibly supportive and always on hand to answer questions and address any concerns."

ADVANCING SCIENCE, TECHNOLOGY AND AGRICULTURE

COLLEGE OF SCIENCES

Our heritage is in agriculture, food and the sciences and today we are among the world leaders in education and research. We also bring our best to new areas including computer science, information technology and construction. These are exciting areas for study and provide excellent opportunities for growth and development.

- > Agriculture
- > Computer Science and Information Technology
- > Construction
- > Engineering
- > Food and Nutrition
- > Fundamental Science
- > Natural and Environmental Science
- > Veterinary and Animal Science

massey.ac.nz/science

RESEARCH EXCELLENCE

Massey University delivers world-leading research conducted in partnership with the industries and communities we serve. We have a reputation for excellence in innovation and the creation of new knowledge. Our research spans discovery, commercialisation, and scholarship and our strengths are in:

- > Veterinary science
- > Land and food based research
- > Natural, environmental and mathematical sciences

We focus on solving contemporary societal challenges and maintain a commitment to fundamental knowledge discovery. New developments and technology underpin what we do and we enjoy collaborations with the world's prestigious scientific institutions. This makes for world-leading discoveries and complements our teaching and postgraduate programmes.

ACADEMIC EXCELLENCE

Associate Professor Ian Bond

Associate Professor Ian Bond is an internationally-recognised computer scientist and astrophysicist. He is the principal investigator for MOA (Microlensing Observations in Astrophysics), an international astronomy study. His research projects at Massey have focused on microlensing, the most recent project developing computer software that has led to the internationally-significant discovery of free-floating 'orphan' planets that has major implications for understanding the dynamics of solar systems.

The MOA study focuses on a segment of roughly 50 million stars at the centre of the Milky Way, which are 25,000 light years away and are a fragment of the estimated 100-400 billion stars and 50 billion planets in the galaxy.

SUCCESSFUL GRADUATES

Gail Royston, Bachelor of Construction. Graduated 2015.
Assistant Cost Manager – Beca
Top Young Woman in Construction, New Zealand, 2015
Best Young Women in Construction Finalist, Europe 2016

"I was able to work and study full time due to Massey's flexible distance learning. That means that although I've only been out of university for one and a half years I have almost four years of experience in the industry. This has given me the opportunity to work in places like Auckland, Christchurch, Malaysia and now Europe and do what I love - travelling.

"The Massey construction degree has helped me get to where I am and allowed me to work on international projects that have English, French and Spanish people working together to deliver projects. Construction is an exciting industry and I'm happy to be part of it. I'm lucky to have such amazing role models and mentors around me that push me to be the best I can be.

"The possibilities in this industry are endless and every day is different, the hardest part is choosing where to go next..."

WORLD RANKING HIGHLIGHTS

Massey is ranked 22nd in the world (and first in New Zealand) in agriculture, and 23rd in the world (and first in New Zealand) for Veterinary Science, according to the QS (Quacquarelli Symonds) rankings.

ACCOMMODATION AND LIVING COSTS

MASSEY HALLS

Massey Halls are all about giving you the best student experience and support during your Uni years. Our Halls have a dedicated team of pastoral care staff to help navigate your priorities, connect you with other residents, encourage you to join in events and activities. The Halls offer a safe, secure and student-friendly environment to foster your academic success.

RESIDENTIAL LIFE

Massey Halls offer a varied residential life programme that focuses on community, wellbeing and academic support. We host a range of activities and events throughout the year, such as; movie nights, craft workshops, sport leagues, games nights, theme nights etc, so we take care of your social life too.

SUPPORT

We care about your health and wellbeing whilst at Uni, which is why Massey Halls have Residential Assistants (RAs) that live amongst our community so that we can provide all our residents with support 24/7.

HOMESTAY

Homestay accommodation is an option for those wanting to live within a family environment, this option is great for those who wish to improve their English and learn about New Zealand culture in a safe and supportive environment. Please note: All international students under the age of 18 must live in a Massey approved homestay provider.

Shubham Sharma, Master of Engineering Student from India

"Living in Massey Halls was a great decision which everyone should make. It gives the best of everything such as friends, study environment, trips and events. By far this is one of the finest decisions I have made in my life. I will be taking away great memories that I would not have if I had chosen to live off campus."

ACCOMMODATION COSTS

ACCOMMODATION OPTIONS	AUCKLAND	PALMERSTON NORTH	WELLINGTON
Types of Accommodation	The first and only Qualmark rated 5 star student accommodation in New Zealand. All rooms are single occupancy Halls of Residence – meals provided 4/5 bedroom apartments – No meals Studio Units – No meals	A range of Halls available. Halls – meals provided Halls – No meals Units are also available for couples and families.	Cube Hall 3 and 5 bedroom apartments – No meals Kāinga Rua Hall Single Rooms and Twin Share Rooms – No meals
Massey Halls Catered	\$15,918 - \$17,304 42 week contract	\$11,154 - \$14,859	Not Available
Massey Halls Self-Catered	\$10,710 - \$14,280 42 week contract	\$6,240 - \$8,580 39 week contract	\$10,486 - \$12,274 42 week contract
Homestay	\$290 per week 3 meals a day	\$245 per week 3 meals a day	\$270 per week 3 meals a day

LIVING COSTS

In addition to your tuition fees you need to pay for text books, non-tuition fees and your personal expenses. Find out more: [massey.ac.nz/fees](https://www.massey.ac.nz/fees)

If you enter New Zealand on a student visa then Immigration NZ requires you to have NZ\$15,000 available in addition to your course fees for each year you'll be studying in New Zealand, plus an additional NZ\$2,000 to cover a return ticket home. Living costs can vary considerably depending upon accommodation option, location and personal spending habits, so you may require more money than this. Find out more: [immigration.govt.nz](https://www.immigration.govt.nz)

Notes:

- Costs are approximate based on 2018 and are in New Zealand dollars (\$NZD).
- Auckland is the largest of the three cities, so you can expect the cost of living to be higher.
- In Massey Halls catered accommodation, you can choose from two different meal plans ie two meals a day or three meals a day.
- Massey Halls may have additional costs for internet, laundry and car parking depending on location, so you will need to budget for these.
- Private accommodation can be found on [trademe.co.nz](https://www.trademe.co.nz)

FOUNDATION AND ENGLISH LANGUAGE PATHWAYS

FOUNDATION PATHWAYS

We offer a range of courses to help you prepare for university and develop your academic study skills. Our pre-degree foundation qualifications will enable you to meet the academic and English language entry requirements for admission to university. Programmes are delivered in New Zealand, online, and with partners offshore. See information on the Certificate in Foundation Studies (two semesters) and Certificate of University Preparation (one semester) on page 9.

DEEP (DIRECT ENTRY ENGLISH PATHWAYS)

The Direct Entry English Pathways (DEEP) assist you to meet the university's academic English language requirements and to develop the study and research skills required for your chosen programme of study at foundation, undergraduate or postgraduate level. For more information or to apply, please visit: uniprep.massey.ac.nz or contact us at uniprep@massey.ac.nz

INTENSIVE ENGLISH

Whether you are preparing for university study, or improving your English for personal or professional purposes, Intensive English is suitable for you. For more information or to apply, please visit: english.massey.ac.nz or contact us at english@massey.ac.nz

STUDENT EXCHANGE

As an international student, you are also eligible to participate in our student exchange programme and can therefore choose to study for one or two semesters of your degree at over 200 institutions in more than 25 countries.

> massey.ac.nz/studentexchange

INTERNATIONAL STUDENT SUPPORT TEAMS AND SERVICES

INTERNATIONAL STUDENT SUPPORT OFFICE

Our International Student Support teams are here to help you succeed academically and personally throughout your studies. We can help with any questions you may have including: visa renewals, insurance, accommodation, transport to campus and general campus information. We are here to support your wellbeing and can help you connect with the relevant support services available to you. We run an International Registration and Welcome programme to help you settle in and run a number of events and activities throughout the semester.

isso.massey.ac.nz

STUDY SUPPORT

The Centre for Teaching and Learning exists to help you develop good study practices and examination skills. They offer regular workshops as well as individual consultations.

learning.massey.ac.nz

RECREATION

Massey is committed to ensuring an active, enriching campus life and has excellent facilities on each of our campuses as well as associations and clubs to meet the needs of the student community. We have over 100 student-run clubs where you can meet, have fun and make new friends.

recreation.massey.ac.nz

CAREERS AND EMPLOYABILITY

Massey Careers can help you to explore and plan your career, source job opportunities, build your employability skills. We work with employers and academic staff to offer you career events, industry presentations, career and skills workshops and seminars, which include CV writing and interview preparation.

massey.ac.nz/careers

HEALTH SERVICES

There are Health and Counselling Centres on all three of our campuses. The Health and Counselling Centre is designed to provide students with a comprehensive range of professional and confidential health services. These services are aimed to keep you active, healthy and able to achieve your goals at University.

massey.ac.nz/health-and-counselling

THE EDUCATION (PASTORAL CARE FOR INTERNATIONAL STUDENTS) CODE OF PRACTICE 2016

The Ministry of Education has established a comprehensive Code of Practice for the Pastoral Care of International Students. Massey University is bound by this Code. Copies of the Code are available from the NZQA.

nzqa.govt.nz

IMMIGRATION

Full details of immigration requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available from Immigration New Zealand.

immigration.govt.nz

STUDY AND WORK IN NEW ZEALAND

New Zealand Immigration provides options for students to work while studying. Depending on your area of study, you may also have the opportunity to stay and work in New Zealand for up to four years, and possibly even gain residence.

nzstudywork.immigration.govt.nz

ELIGIBILITY FOR HEALTH SERVICES

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health.

moh.govt.nz

MEDICAL AND TRAVEL INSURANCE

International students (including group students) must have appropriate and current medical and travel insurance while in New Zealand.

Our preferred provider is Studentsafe.

studentassist.co.nz

ACCIDENT INSURANCE

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents, and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs.

2019 PROGRAMMES AVAILABLE TO INTERNATIONAL STUDENTS IN NEW ZEALAND

This section provides a guide to programmes available to international students interested in studying at a Massey University campus in New Zealand. Tuition fees quoted are estimates only, are in New Zealand dollars and include GST, and are based on 2019 fees.

Tuition fees quoted are based on 120 credits of study within the programmes, unless stated otherwise.

Each 15 credit course requires approximately 10-12.5 hours each week of class and study time. You can search the Massey University website: massey.ac.nz for full programme details. If you are ready to apply, please visit massey.ac.nz/international

ENGLISH LANGUAGE AND UNIVERSITY PREPARATION

DOCTORAL DEGREES

Programme				Start date	Duration	Cost (per 120 credits)
	Auckland	Palmerston North	Wellington			
Doctor of Philosophy (PhD)	A	P	W	Any time	3-4 years	NZ\$6,480-8,002 ¹

¹The New Zealand Government has approved a policy for new international student PhD applicants which offers international students the same level of tuition fees as those paid by New Zealand domestic students. At Massey University, this policy relates to the Doctor of Philosophy with research topics in all areas including: Business, Creative Arts, Health, Humanities and Social Sciences, and Sciences. For specific details, please refer to www.massey.ac.nz/prospective-phd/

STUDY ONLINE FROM YOUR COUNTRY

Massey University is a leader in online and borderless education. We have been providing distance education for almost 60 years and more than 330,000 people from all over the world have studied via distance with us.

We are ranked in the top 1.2% percent of universities in the world and have five stars across nine categories (including Online) by QS World University Rankings. You can be confident your learning will be at the latest international standards and your qualification will be well received wherever your journey takes you after you graduate.

WHY STUDY ONLINE WITH MASSEY UNIVERSITY

With Massey University, you can study fully online - you don't need to travel to New Zealand. The qualifications you obtain by studying online with Massey University are the same as you would receive if studying at one of our three campuses in New Zealand.

Studying online allows you to achieve your educational dreams while you are working, training or raising a family. Our online programmes have been designed to fit around you – watch lectures or read materials wherever you might be, at a time that is suitable to your schedule. There are some great benefits to online learning including meeting the commitments you have at home and work, saving time and money.

It is important to note that Immigration New Zealand will not grant a student visa for study in New Zealand where the intended programme of study is wholly delivered by online mode. If you hold a work permit you can study part time via online learning. Please contact us for more information.

OUR ONLINE PROGRAMMES ARE DESIGNED WITH YOU IN MIND

- > Your online lectures are given by the same academic staff who teach on campus
- > Online tools allow you to study when you can and still be in contact with your lecturer when you need to, and
- > Our support services are here to help you attain your educational dream.

All students studying online have access to Stream – Massey's virtual learning community. It's a place where you can exchange ideas with fellow students and lecturers.

Depending on the course you are studying, Stream offers:

- > Latest news on your subject
- > Study notes
- > Recent articles
- > Online presentations
- > Activities
- > Assignments
- > Quizzes
- > Tests
- > Online conversations and discussion forums

HELPFUL SUPPORT

The key to studying online is having strategies and support people in place to help with challenges that may arise. With Massey University you are not studying alone! Our team have created a support service for our students living around the world. We're here to help you when you need advice.

FEES

International students studying outside of New Zealand do not need to pay New Zealand Goods and Services Tax (GST).

View all our online programmes at massey.ac.nz/borderless

2019 ONLINE PROGRAMMES AVAILABLE TO INTERNATIONAL STUDENTS

This is a guide to programmes available to international students interested in studying online from **outside New Zealand**. Tuition fees quoted are estimates only, are in New Zealand dollars and exclude GST, and are based on 2019 fees.

Tuition fees quoted are based on 120 credits, as well as per 15 credit course (paper) of study within the programmes unless stated otherwise. Students who study online enjoy 15% lower fees than students who study on campus due to not having to pay GST.

Each 15 credit course requires approximately 10-12.5 hours each week of class and study time. You can search the Massey University website: massey.ac.nz for full programme details. If you are ready to apply, please visit massey.ac.nz/international

Online courses need to be chosen very carefully to ensure they do not require the student to travel to New Zealand for onshore contact. There are sufficient courses to complete the qualification that do not require onshore contact.

CERTIFICATES AND DIPLOMAS

Online Programme	Start date	Duration (if studied full time)	Online cost	Per 15 credit course
Certificate in Arts	Feb or July	1 semester	NZ\$11,200 per semester	NZ\$2,800
Certificate in Aviation Studies	Feb	1 semester	NZ\$12,400 per semester	NZ\$3,100
Certificate in Science and Technology	Feb, July or Nov	1 semester	NZ\$13,839 per semester	NZ\$3,460
Diploma in Arts	Feb or July	1 year	NZ\$22,400-\$27,678	NZ\$3,130
Diploma in Business Studies	Feb, July	1 year	NZ\$24,800	NZ\$3,130
Diploma in Communication	Feb or July	1 year	NZ\$22,400	NZ\$2,800
Diploma in Science and Technology	Feb, July or Nov	1 year	NZ\$27,678	NZ\$3,460

Without specialisation	Feb or July	1 year	NZ\$53,965	NZ\$6,745

ENTRY REQUIREMENTS FOR INTERNATIONAL STUDENTS

UNDERGRADUATE ACADEMIC ENTRANCE REQUIREMENTS

- > For most undergraduate level programmes, the minimum academic entry requirement is successful completion of a qualification equivalent to the New Zealand Year 13 - NCEA Level 3 University Entrance. International students need to check the equivalency of their secondary school qualification by reviewing the list of Academic Admission Requirements by Country.
- > International students who have previously studied at a New Zealand secondary school should refer to the secondary school requirements section.
- > International students who have completed a minimum of 4 x B's at level 5 or 6 in the New Zealand Diploma in Business may apply for entry into a Bachelor's programme.
 - An NZQA transcript as formal evidence of the NZDipBus results is required before credit will be assessed and only papers with a minimum grade of B will be assessed for credit.
 - The English language requirements can be met by:
 - » A minimum IELTS 5.5 (or equivalent) used to gain entry to the NZDipBus or,
 - » A recent IELTS 6.0 with no band score less than 5.5

Graduate Diplomas

Admission to a Graduate Diploma requires successful completion of a three year diploma or undergraduate degree from a recognised tertiary institution.

UNDERGRADUATE ENGLISH LANGUAGE ENTRANCE REQUIREMENTS

Students from a country where English is not the first language, must obtain a minimum English Language competency level. Some programmes require a higher level of English Language competency than the minimum requirement indicated.

Programme Level	IELTS	TOEFL iBT	PTE Academic	Cambridge English
Pre Degree and Foundation Certificate in Academic English (UG DEEP)	5.0 (no band less than 5.0)	61 overall (min 17 in Reading and Writing)	36 Overall (min 36 in communicative skills)	154 overall and all bands 154 or better
Foundation Certificate in Advanced Academic English (PG DEEP)	5.5 (no band less than 5.5)	70 overall (min 19 in Reading and Writing)	42 Overall (min 42 in communicative skills)	162 overall and all bands 162 or better

Undergraduate Level	6.0 (no band less than 5.5)	80 overall (min 19 in Writing)	50 Overall (min 42 in communicative skills)	169 overall and all bands 162 or better

INTERNATIONAL ARTICULATION PATHWAYS

Massey University has a large number of international partner articulation pathways into our programmes so you may be able to progress directly from your university into Massey University. We have programmes in the following countries/regions: Australia, Cambodia, Canada, China, Hong Kong, India, Indonesia, Japan, Macau, Malaysia, Singapore, Sri Lanka, Taiwan, Thailand, and Vietnam.

massey.ac.nz/iap

Massey University recognises the following English Language examinations:

> International English Language Testing System (IELTS)

Only Academic IELTS scores are acceptable. A scanned copy of your academic IELTS scores is acceptable as Massey is able to verify your results online.

> Test of English as a Foreign Language (TOEFL)

A scanned copy of your TOEFL scores is acceptable as Massey is able to verify your results online. (This applies to iBT test results only)

Test scores for English proficiency are valid for two years from the test date.

If you have taken a test other than IELTS or TOEFL, include it with your Application for Admission as an International Student so that it may be considered.

International Students who qualify for admission with NCEA Level 3/ CIE from a New Zealand Secondary School do not need to present any additional English language evidence for general admission. IELTS can not be used as a substitute for literacy but will be required for programmes with a higher English language requirement in addition to meeting the literacy requirement (refer to the programme specific exceptions).

POSTGRADUATE ACADEMIC ENTRANCE REQUIREMENTS

Masters, postgraduate diplomas and postgraduate certificates.

An appropriate undergraduate degree from a recognised tertiary institution is required

Doctorate degrees (PhD)

The equivalent or better of a relevant Bachelor's (Hons) or Master's Degree with First or Second Class Honours, Division 1 (B+ and above) with sufficient prior experience of independent research at postgraduate level

Programme Level	IELTS	TOEFL iBT	PTE Academic	Cambridge English
Postgraduate Level	6.5 (no band less than 6.0)	90 overall (min 20 in Writing)	58 Overall (min 50 in communicative skills)	176 overall and all bands 169 or better
DAAD (For German students only)	A minimum B grade in each section plus a letter of support from University			

Some colleges may specify a higher level of attainment for PhD applicants
